PARADE RULES & REGULATIONS

1. All parade entrants must pre-register with the chamber. Entries require an adult signature.
2. Line-up will begin at 5:00 p.m. on Furtaw Field. Please use the Lake St entrance and don't arrive earlier.
3. "ILLUMINATED" is the key word, whether walking or riding in a decorated vehicle or float. Battery operated lights or "quiet" generators are acceptable. For walkers, battery operated lights are suggested.
4. The parade route is US-23 South to Mill St. West. You are asked not to turn off before Mill St. Please proceed with caution, as vehicles will move slow to complete stops to ensure walkers are accounted for and off streets or safely inside vehicles prior to exiting the designated Parade Route/Right Of Way areas.
5. No loose hay or straw, kerosene lanterns or open flame of any kind. One current 5lb ABD dry chemical extinguisher must be carried and accessible on each float. Gauge must be in the green area.
6. ABSOLUTELY NO throwing candy or any items from floats or vehicles. This is an endangerment to children, especially in the dark. Walkers may pass out candy or other items at curbside along the parade route.
7. No headlight beams on during the parade. Parking lights, emergency flashers and decorative lighting only. All entrants are encouraged to have holiday music, singing or instruments.
8. Santa will be attending the parade. Please refrain from additional Santa's, as it tends to confuse the children.
9. Please keep in mind that people-young and old- are walking and passing out candy, taking photos...SLOW DOWN! Keep 20' between you and the group ahead of you & pause at intersections. PLEASE DO NOT RUSH

Thank you for your cooperation in making this a SAFE and enjoyable parade and event for our community.
